Document Body

Bud,
attached is the CAFO workplan. It was included as an attachment to the Overall IEPA workplan. So the signatures are to the overall workplan. I've not seen that executed page yet either. Once I get it, I'll forward.

Marcia -

Per my voice mail, attached is the revised Illinois Program Work Plan Agreement. The only change is on page 4, in which part of one sentence was deleted. The deleted sentence read "... (2) require the owners or operators of all Large CAFOs to register with Illinois EPA." When you send back the signed version please use this updated version. Thanks
